“ My precious grandson *Brandon Jr.* ❤️💙
Fought through everything and did it with the most beautiful smile!
Although my heart breaks 💔 to let him go, I am also at peace with it knowing he is no longer suffering or struggling.
My vision of him now will only be of him running around and playing with no pain or complications he endured here on earth.
He was loved so much by us all, grandma Claudia, grandpa Denny, grandpa Mel, his Uncles, Aunts, cousins & anyone who came to be in his life couldn't help but fall in love with him!
But mostly by his father that never gave up on him, loved him unconditionally, saving his life many times and Mama Terilyn they stood by his side through it all,
I believe that is what kept him going & was able to smile and be happy so much.
Rest in peace our Lil Champ, you will always be missed and in our heart's & thoughts 🙏

Brandon fought for so many years. He was truly a Champ. I see him now running, talking and playing with all the other little children in heaven. He'll be so missed by all of us.
