“ *Just last week she was playing and laughing on the playground. Now she is dancing with Angels. I will remember her always as a happy little girl who was liked by all. May the Lord bring comfort to all that loved her. Ginger Krzeminski*

“ I did not know this precious little girl, but I want her family and friends to know that you all are in my thoughts and prayers. The loss of anyone is unimaginable, but to lose a child ... there are no words to describe what you must be feeling. I'm praying that God sends Comfort, Healing, Peace, and Love. She's a BEAUTIFUL Angel flying high up in Heaven with God/Jesus ❤️ I also pray that you know she is always with you. Hugs and Love

“ I cannot imagine the loss of a child. Breann was a great girl. I loved driving her around out on the trails at my parents house when everyone was up and Gavin was always sitting playing with her. She will be missed, but I want you to know that her time on Earth was so precious and she has made a positive impact on the lives of so many. Love you Breann!

“ Rebecca wanted to share how much she enjoyed sitting with Breann and Aunt Sue during Worship. She loved their time coloring, drawing, and trying to whisper quietly to each other even though they both kept giggling. Breann was a precious soul, so sweet, kind, and loving. She will be missed. Our love and prayers are with you all!
