“ *The thing I will remember most about you, what a great country girl that you were and how country music was such a big part of your life, especially Loretta Lynn music, you looked so beautiful out your home going, we could not get enough of the beautiful site and the beautiful flowers surrounding you, you were so beautifully dressed by your children, and it was an honor for me to sing for you, go rest high on the mountain, tell my dad I love him and I miss him so much... “ Aunt Brenda there aren't many memories of my childhood that I have that you, uncle Benny and kids aren't in them. I'm so sad that I haven't seen you and we lost contact over the years but my goodness I loved you so so much! You were always so good to me. I know I will see you again! Give daddy a big hug for me. I love you and my heart hurts knowing your no longer here. I know Tara, your mom and Ronnie were waiting at the gates for you. I'll never forget my Aunt Brenda she was one of a kind!
