“ *I was shocked to see that Phillip had passed over 13 years ago. Phil and I were close friends while we worked at Mt. Clemens General Hospital and we entered the U.S. Air Force together in 1970. I had tried to reconnect several times through the years with no avail. Although the years have passed, I will always remember him in my heart. I'm sure he is missed by all his family. He is now with is father and mother ( who I called my "Better Homes & Garden" mother)... My deepest sympathy. Edwin (Eddie) Bergen.*
