“ I will always remember hanging out at the Waldrip house and being so goofy with Sarah and Candice as a kid. She always tried to prank us and give me and Sarah swirlies! I laugh and smile whenever I think about that, and will always remember her beautiful smile and how great of a big sister she is to Sarah. It was a blessing growing up so close to your family.

“ Barb, John and family. My heart breaks for all of you. The little girl that was at her grandparents house all time running on her tip toes playing with my littl girl. Please keep in your hearts that there is no tears and no suffering in heaven. Praying for all of you. Teresa Scalise

“ Candice was one of the "kids" from soccer we all knew and loved. I can believe God has a new player on his team and she is now one of his kids. Everytime we see a soccer field we will think of you and the new coach you are playing for.
