“ *I never imagined that after being your neighbor of 14 years, many hellos, many small talks, you always helping my girls with their fundraisers and even helping getting the possum out of my yard. That on the night of your not feeling well that my saying see you tomorrow would be my final goodbye. Your words when i was having a very bad day will always be important to me. You told me that I'm doing a good job with my kids even after divorce. Thank you because those words helped me to not give up. You will be missed my neighbor*

“ *I have worked with Carl for 30 years. I am from Boston and he was my Red Sox partner. I will miss his smile and laugh...that I heard daily for all of those years.*

“ Carl was truly one of the nicest people I have ever met. The way he treated his friends and family (especially his mother) is how we should all aspire to be. I can still hear his laugh and it puts a smile on my face. I will miss you buddy!

“ Carl’s impact at PSI was profound. Carl’s friendliness and cooperation made him a pleasure to work with and be around. We are proud and honored to have Carl as part of our family for so many years. Carl celebrated his 33rd year at PSI last month. We are all deeply saddened by his loss and want to extend our deepest sympathy to his family. We can’t even begin to put into words how much he will be missed.
