“ We knew you through your beautiful son, Louis, who has been in and around our family for 30 years. Louis is a tribute to you. He is smart, ethical, honest, caring, friendly, dependable, has deep respect for others, and has carried on your lovely trait of being so family oriented, a good husband and father. He is one of your gifts to the world and we thank you for that.

“ I'll never forget the first time I was going to meet the Aiello Family it was at the bar Michelle's Lounge I was so nervous and scared because I didn't think I was good enough. Then Philip started introducing me to everyone and when I met Carol I will always treasure that moment she hugged me so tight and welcomed me I will always treasure that moment forever. Carol made me feel so welcomed she was so beautiful I will miss her deeply,even though we didn't talk or visit like families should because life is too short , I want to thank Carol and she knows what I'm saying I love her so much and she will never be forgotten. I will miss you deeply we will meet again and you will hug me like you did the first time we met see you at The Rainbow Bridge. Love Jeannie
