“ *Our Deepest Sympathy to you Jim. We have known you and Carol quite a few years. She was the most caring and compassionate person we ever met. I will miss our e-mails back and forth and the contact that we were Northern area and you were south of us. Carol was the most kindhearted person but I am not telling you anything you don't know. We admired the both of you. We are here if you feel the need to talk day or night. God Bless You as you go through the days.*

“ Jim:

*My deepest sympathy on the loss of your wife, Carol. She was such a positive person. I worked with both of you on AIM garage sales and helping one of AIM's members move. She always showed compassion and was helpful to others.*

“ *My cousin Carol was a model of perseverance. She struggled for a long time with health problems, but never gave up. She was always pleasant and happy to see you, no matter how she felt. We will miss her in our hearts and at our holiday "Cousins" gatherings.*
