

## Carol Ann Hood

July 18, 1956 - April 15, 2016

Age 59.

Beloved wife of Steve for 41 years.

Loving mother of Carrie (Michael) Seehofer and Nikki (Ben) Hood-Higgins.

Dear grandmother of Mya, Lily, Ruby, and soon to arrive Charlotte.

Survived by her brother Danny Murasky.

If you knew Carol you were a lucky person. Upon meeting her she immediately made you feel as though you were family. Her smile would light up the room, her laugh was contagious and a sound that will never be forgotten. She always cared about others more than herself. She had more love in her heart than imaginable. To say she will be missed is beyond an understatement. Everyday family and friends looked forward to her conversation, her hugs, her guidance and her silliness. She praised God and believed that one day she would be greeted by him at the gates. We knew this is when she would finally get all the peace and glory that she so deserved. Our hearts are broken but still filled with the love that she gave to us all. We will continue to celebrate her life by remembering all of the amazing

times we've had with her and precious moments shared. Forever in our hearts, our beautiful angel will remain.

“ It's been a few days now and I'm still in disbelief that you are no longer here. I will miss our conversations, your laugh, the way we use to talk on the phone for hours sharing the events of the day. Talking about your girls, your grand-babies and Steve with such love. I've come to realize that you were so many things to so many people. Knowing who needed what and when they needed it. Words of encouragement, prayers for love ones just a call to catch up. I will keep you in my heart forever. Heaven has another angel. One who left us to soon. It's hard to image a life without you in it. You will be greatly missed my wittle Cuz.

“ Carol, through these years we have bumped heads a lot. We are so stubborn and we love to pick at each other just to stir things up and get the blood going. One of our most religious fights was over my hugs and kisses... or the lack of them... or that I used only one arm and not both... which I would do just because I knew it drove you nuts. The last time we seen each other at the hospital and we were leaving and you said, Give me a hug and kiss Michael. I replied with, I'll hug you but I'm not kissing you. I did though... and we both laughed. I love you Carol... I would say I would miss seeing you but I won't... I'll see you everyday when I look at Carrie. She is so much like you. Her heart is so big. I promise to take care of your baby. Until I see you again and give you that lazy one armed hug so you can yell at me again.

“ Carol I will miss you very much. You were my best distance friend. We lived several hundred miles apart but you were always so good to call and check on me and ask about Charlie. You meant so much to me when I was hurting and worried about Charlie. I will always be grateful for your love and your prayers. I am still in shock. I can't believe you are gone. I remember your smile, your laugh, and how you always cared for me and your family. You were such a great Mom and wife. I know the girls and Steve will miss you something awful. My heart breaks for my dear cousin Steve. I can't imagine what he must be feeling right now. His heart is aching I am sure. He was amazing to take such good care of you all the years you were married. They don't make husband like him anymore. I pray God will comfort him and hold him in His arms. You loved him dearly and he knew it. You were so good to him. I will miss your visits to Tennessee. It won't be the same without you. You are now in beautiful Heaven and got to say hello and give my Mother and son a big hug. And you get to see my Uncle CA. They all get to give you a hug and welcome you to their home (Heaven). You are totally healed now and free of pain and worry. Smile and walk on the streets of gold. Love and miss you Carol.

“ So sorry to hear about Carol. I have great memories of her from when we lived on MacDonald and my daughter Kate attended school with Nikki. We were part of the 3 Mommomskateers at Fuhrman. Such a fun woman with a great laugh she won't ever be forgotten. May she rest in peace.

“ *Mama, I don't even know how to accurately express how I feel. I miss you sooooo much already! I can't believe this is happening. It doesn't seem like it can be real to me. You were always there for me, ALWAYS! What am I supposed to do without you? You were my best friend, my guidance, and the best listener. You and I had a bond that was so special. We laughed and joked every day...I would tease her all the time about everything, she would smack me and we would laugh some more. Mama, I will miss every hug and every kiss. Mya will miss you dearly...you were such a huge part of her life and helped me when I needed you the most! Charlotte will know what an amazing person you were...We will all take care of Dad. He won't be alone! I could go on and on and talk about you forever, but for now I will say thank you for being the BEST mom and girl could ask for and loving me with all your heart and soul. We all love you to the moon and back! XOXO! ❤️❤️❤️*

“ deeply grieving as though someone has died because of your great love for them and taking years to get past it and then grieving because they actually passed away has left me unable to express my feelings....my love has been unending for my dear friend Carol and is only exceeded by my love for the Lord that through the years of faith and hope that this life can not fulfill now, knows, that when I see Carol again the Lord will perfect our friendship with pure love that will never end.....

“ *What does one say when you've lost someone you loved so much. Carol, you will never be forgotten. You will always be in my heart and memories and one day we shall meet again. But for now, I grieve for your loss. Your family is grieving. I know you want everyone to be happy and carry on...you wouldn't want it any other way. Somehow, they will find the strength. We lost you too quick and too soon. But I know that you are resting in peace. It's very difficult to talk about your loss today. It will be difficult for a long time. So if you can, send comfort to your loved ones.*
