“ *Mama, I love you and I miss you already. I can't believe that you're gone. Your illness took you too fast. Your real popular on Facebook the neighborhood kids on Ashbury Drive posted their prayers and condolences, they were real sad to hear the news . I hope your running around up there with Daddy and I know that your with Grandma and Grandpa , I also know Grandma came for you at the end. I was happy when you yelled her name it put me at ease. Stay near me and guide me through my life . Life won't be the same without you. I love you Mama.*

“ *Dear Aunt Carol,  
One of my fondest memories was when my sister, Linda and I were flower girls and Frank my brother was the ring bearer (little tuxedo & all) at your wedding to Uncle Nick. You were so beautiful & elegant, we were in awe.  
Rest peacefully, all our love.
