“ *When I think about what it means to be thoughtful Aunt Carol is the gold standard. In addition to birthdays, she remembered and acknowledged so many other events and milestones in her creative and light-hearted way. I feel so fortunate to have been the recipient of many such cards, notes and small gifts that meant so much, both at the time and even more so now. We will all miss you, Aunt Carol. Love, Bettina, Craig, Sam, and Adam*

“ Carol was a very creative artist and displayed her talent on all birthday, get well card or gift she sent or presented to adult family members or nephews and nieces. She remembered us on our birthdays and special holidays throughout the year. Definitely will miss being celebrated by Carol.

“ *I love you with all my heart, always have and always will. You were always the most kind and generous person I've ever known. You always thought of others before yourself. Always making sure everyone had what they needed, and then some. I will try to do my best to join you in heaven someday. It is said that God only takes the best and now he has the very person I've ever known.*

*Your loving husband forever,*

*I have been touched like so many others by Carol's generous and giving heart. She and Joe went out of their way to help me when I had car trouble halfway to see our kids. Came and got me, fed me and put me up for the night and made sure I was fixed and on my way the next day! I will always remember her giving spirit!*
