“ *To Caroline's family,
Caroline was my mother's roommate at Bluegrass Rehab. I looked for days trying to find her obituary so I could attend the services. I loved your mother and grew to know her over the last year when I would visit my mom. We did communicate and I always brought her her fav chocolates. Oh how she loved chocolate! My Mom and Caroline had a special bond and she is missed. She was sweet and a wonderful lady and her death was an unexpected loss for my mom and we are deeply saddened. The room seems empty and we miss her. Thank you for sharing her with us the last year or so. We had come to love her. Please accept our deepest sympathy and know that we miss her everyday. Love and prayers to all of you.*

*With love,
