“ I got to know Pat - mom through my father Frank her second husband. From the first time we met she was a sweet and caring person. We would sit at the kitchen table and talk about church, things that were going on in our lives and the boys they sponsored through the church overseas. She offered deep and caring prayers when I dearly needed it. She loved my father with his family and made him very happy to the end. This made me happy for both of them, so Pat thank you Rest in Peace with the ones you love God can take it from here. Love Jeff and Karie
