### *The Family Tree*

*Branches in the wind  
Still standing here together  
One more storm to weather  
We'll get through it yet  
So we're gathered here  
Holding on to each other  
To let go of another one we won't forget  
Now as we say goodbye  
To one of our own  
We may be lonely  
But we're not alone  
Though the leaves will fall  
And the tears will flow  
May it always comfort us to know  
The family tree will always grow  
Father down to son, mother to daughter  
Thicker than water, we are made of this  
From the Earth we rise  
To the Earth returning  
We'll keep a candle burning  
For the ones we'll miss  
And when we say goodbye  
To one of our own  
We may be lonely  
But we're not alone  
Though the leaves will fall  
And the tears will flow  
May it always comfort us to know  
The family tree will always grow  
It's stronger than the wind can blow  
The family tree will always grow*
