“ I never remember Aunt Cathy ever getting upset with all the shenanigans the kids & I would get up too in the many visits I had as a kid, I don't know how she did it. The weeks I spent at her house on many hot & humid summers are some of the best memories I have. The annual pig roast parties were an event I dreamed of all year as a kid. Thanksgivings with 2 turkeys & every side known, eating till we burst & taking Aunt Cathy to the big old Gothic churches to get the food blessed were epic. Only she could make spending 5 hours in Meijer fun when I would take her in my car packed with kids as a teenager,

I'm so glad I got to see her for a visit at my Dad's a few years back, I could tell she was in much pain though and it was sad to see, mercifully now her pain has ended and I'm sure she is sitting next to her beloved Jesus in Heaven. She deserves to be a saint in my book for handling the hard life she was given with such generosity, strength and grace.

Knowing you and having these memories are priceless, thank you so much you will be dearly missed.

“ My Sister Catherine. I don't know what I will do at the Franciscan meetings without your smile there. You were always full of joy and we always had a good laugh. I will miss doing the Liturgy of the Hours with you. You were a wonderful friend and fellow Franciscan. I will miss you dearly..
