“ Prunes, as we endearingly call her since our nursing student days will be deeply missed. The last time I spoke with her, we talked about her medical issues . We talked for a while, but our conversation was mixed with laughter, and of love and pride for her family. She is so proud of her nephew and nieces. So proud of their accomplishments and amazed at how responsible and independent they have grown to be! We will miss her deeply. Our Jomarians family will miss her kindness, gentleness and her wit and talent to bring smiles and laughter. We love you Prunes!
