“ *I enjoyed my talks about bowling and life with Chuck. He had an incredibly unique personality with an infectious laugh. I will never forget my time I shared with Chuck on a weekly basis. We made each other laugh and BSed a lot. He was a great friend and I will miss him greatly.*

“ Dear Uncle Chuck,

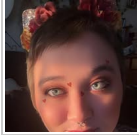

We had a very special relationship. One that no one could understand but the two of us. We teased each other about being their favorite, but it was true. You were and always will be my favorite uncle. I will miss our many hours of personal one on one conversations and the support you gave me all through my life. It was your inspiration that helped drive me in the right direction. You had a special bond with my mother, that I truly loved watching. You two never lost your childhood playfulness with each other. An example of that would be the time you called my mom to tell her you believed you lived closer to Granny after she moved into the Warren house (you lived in Royal Oak, we lived in St. Clair Shores). Mom hung up the phone and ran to the car to try and beat you to Grannies! I never did find out who won the race.

I loved watching you with your grandchildren. You had a love for kids unsurpassed by few and outwardly demonstrated by your commitment to the Boy Scouts. And your love for animals - who could deny it?

We had plans to go fishing this summer. I'm heartbroken that we won't be able to do that. But, I know you're in a better place and I'll see you again some day! It's the promise we have from God and it's that hope that will continue to inspire me and keep me going. Until then . . . my favorite uncle . . . rest in peace.

*Much love,
Wayne*

“ I loved my papa very dearly and I love my grandma just as much. That's why I am asking that if anyone could help out with the financial aspect that would be great. So instead of flowers please donate ... Gofundme.com/chuckholloway

“ I am so very saddened talking with Linda and hearing of Chuck's passing. Chuck, my dear friend, will be missed by family and friends. We first met as teenagers when we became neighbors in 1954. Our families have remained friends. Many years have passed with many fond memories. No visits to Michigan were complete without time spent with Chuck, Linda and his mom Alice. We occasionally visited on the phone catching up with our lives. We last spoke the day he picked up his new car which he first said was a gold Eldorado (Jeep Cherokee Latitude). I will miss the visits and our caring and colorful conversations. I send my thoughts and prayers to you Linda, to all of the family and to Chuck's many friends. I will miss you Charles Michael. With love, Sandy Wallace and family.

“ *He is the only grandfather I have ever known. He was stubborn and hard on us. But I know it was because he loved me so much! He made me proud of all I accomplished and he made want to accomplish more. I'm heart broken that he is gone. I love you and miss you Papa*

“ *Even though I only knew him from bowling this year on Wednesday at Astro, he was a very nice man. I was so shocked to hear as he had come down by our lanes and looked great. Sending my sympathy and prayers to his family.*
