“ Reverend Charles Locklear was one of the finest men that I had ever known. I first knew him as a Minister of the Gospel. In a very short time he became my Pastor and friend.
At one time I had the opportunity to
Be his neighbor as well. As time went on I moved but always considered him
my Father in the Gospel. He had instilled in me a goodness about God that gave me a foundation in my walk.
Reverend Charles Locklear was a man of integrity and kindness. He loved God and his Family.
My condolences to all of his family and friends.

“ *I will forever remember my-brother-in-law's trips to North Carolina and the good times we shared with all the Locklear family together. Many times around the piano with his sister Betty playing the piano, Charles on the guitar and the family singing those old time gospel hymns. Also the many times we sit under the old oak tree in the shade (that was our air conditioning) with each of the brothers and sisters taking turns (when everyone wasn't talking at the same time, lol) sharing your childhood memories. Those stories I heard over and over until I had them memorized and yet the way you could tell them, they were as refreshing as if it was the first time I heard them. I will miss Charles at the family gatherings. To Edna and Chuck, Liz, the grandchildren and the great grands, you were loved unconditional. He always spoke of you with great pride. You made him proud. Love you all. Aunt Jo Ann*
