“ *To the Resk Family,  
Thinking of you at this sad time with heartfelt sympathy. My affiliation with Chuck goes back to our work together at Chrysler in the 1970's. He was a dedicated and loyal employee and supervisor working in Quality Control on my team. Chuck was a hard working man, a fine person and someone you could always count on in the plant. I hold many warm memories of our friendship over the years and will be praying for God's comfort in the difficult days ahead.  
My Sincere Condolences,

*I'm saddened to hear of Chuck's passing many months after this happened. He works for me at Chrysler as a supervisor. He always did an outstanding job and very enthusiastically. It was a delight to be in his presence as he inspired everybody around him. Amazing energy and drive to succeed. I wish his family is a very best at this sad time. My condolences at this time.
