“ *My apologies to Alexandra. My condolences are with you. I know how difficult it is to lose a father. Know that you will have him again and that he is with you always in spirit. Prayers for YOU!!*

“ *My condolences go out to the family and to his daughter Stephanie. Chuck was a charming man and it was a great pleasure to have known him for the short time that I did. I look forward to the day when our friendship can continue in our Father's place. Take comfort in knowing that this is only a temporary separation. And that you will be reunited with him in a much better place. Hugs and Prayers!!*
