“ Cheryl. I miss you so much all ready! Keep waiting for you to call or text me, I'm so proud of you, for the fight you fought, you made us all laugh at the toughest time of your life. I will try my hardest to keep all the promises I made to you. Your a great sister and friend, and right now I can't imagine my life without you. We will get through this I know, in time. We were lucky to be able to say our good-byes, but now I can of a thousand more things I should have said. But most important, I love you with all my heart and will miss you even more. Till we meet again, good-bye my beautiful sister!
