“ *Poor Chet - you never got a word in edgeways. Very intelligently you bailed to the garage or the basement to give Beverly & me room to dish. Though, in retrospect, you were one smart cookie. You will be missed so very much. Love, Edmunda*

“ *Uncle Chet I'm going to miss your sense of humor and your attitude about life and politics which mirrored mine so much. I was especially thankful for both you and Beverly during the time when gramps(Edmund)passed. You're both the warmest sweetest people I've known, and I'll miss trading e-mail jokes back and forth with you. Aunt Bev, I'm so sorry about your loss, and if there is anything we can do for you, you only need to ask. Love Eric*
