“ *My condolences. My first name is Christine and my partner's last name is Snyder. So if we would ever marry - my name would be Christine Snyder. I remember watching one of the first made-for-TV movies about Flight 93. At the end of the movie, they had listed the names of all the heroes on Flight 93. One of them is Christine Snyder. And so every anniversary of 911, I say a little prayer for my namesake Christine Snyder and for all the heroes of 911.*

“ Our love and hugs to all of Christine’s family, especially our beloved Megan, Michael and Samuel and our brother in marriage, Ken. We are so sorry for your loss and pray for eternal rest for Christine. We plan on asking for her prayers too as she enjoys eternal life with our Lord and with our Blessed Mother, Mary. Chris will always be an inspiration to me, with her love of family, her deep faith, and her determination to overcome whatever hardships came her way. She enjoyed so much, and you, her family, gave her so much to enjoy. God bless you all. Teresa and Mike Cloughesy

*Christine was a gentle soul who shared her home and family with many of us in St. Barts Young adults club, 50 year ago. This lead to over 10 loving marriages and many more lasting friendships. We will never forget her and can only imagine her with her beloved Michelle and parents. As she sits crafting away while listening to her Beach Boy songs.*
