“ *hope its not too late to add my two cents. i saw the memory book and meant to write in it and then i began looking at Clara's beautiful pictures and forgot. I have known her at least 9 years, 9 of the best years we could have together, going gambling and being at the senior club. She would call me almost every day and leave a message saying "this is your girlfriend Clara", in a singing voice. I will never, ever, forget her. Always a smile, never complaining, the world needs more like her. I love you Clara and your beautiful family.*

“ Dear Czernal Family,  
We were very sorry to hear of Clara's passing. My mother (now 86), saw her death notice in the newspaper. I too just felt compelled to write a few words letting you know that as a child how much I appreciated your mom letting me swim in your pool. I remember your moms smile and how kind she always was. As Marilyn Lucksted pointed out, I know Clara is having a great time in heaven with family and friends. I know she is at peace now and she will remain in our memories. Our condolences to your family. Sincerely  
May and Donna Martinuzzi

“ Clara will be surely missed by all us casino frequenters. She was a happy soul and a lot of fun to be with at Caesars Windsor. Our sympathy goes out to her family. And we will remember Clara in our prayers, from friends, Mike and Angie Kotarac

“ I'll miss my grandmother. I'll miss her ever-present smile and laugh, I'll miss her calling me by my full name, "Jonathan", I'll miss her movie reviews, I'll miss her love for music and singing with the family at our Christmas party, I'll miss her stories about great games of poker and her adventures at the casino.

*She has been the cornerstone of our family, and her love of God and family have certainly been passed down to her siblings, grand children and great grandchildren. We all smile as we greet each other, even strangers who soon become friends. Thank you Grandma for teaching us all the most important lessons of life, through your actions and words. We love you and will miss you.*

“ *My heart is with each of you Czernels! It's been a long time since I saw Jerry and Sylvia, but I had the pleasure of seeing John and his family a few months ago. I have funny, warm recollections of Clara Czernel and the clan. God be with each of you! Cass Pikur*

“ Dear Family, It is very emotional to compile so MANY wonderful memories of your remarkable and amazing mom...letting us swim in her pool, caring for the whole neighborhood like a mother hen, her laughter, her rental home on Curie, her absolute strength in all times good and bad, her faith, her voice in the backyard, her player piano, her endless sharing, her family, and on and on. The world has taken on a diminished feeling without Mrs. Czernal in it but I KNOW there is a party in heaven with her in the middle! Love, Marilyn

“ I take comfort in the many lessons that Grandma has taught me, among these; Love for family, strength during hardships, appreciation of music and entertainment, having a positive outlook on life, sharing your blessings with those less fortunate, thriftiness, kindness, and maybe above all else to be proud of who I am and to embrace the uniqueness that is me. Grandma is the reason we have such an amazing family. She was a one-of-a-kind, strong and opinionated, fun, loving and kind woman and we already miss her.
