“*Connie and I grew up together and went to Roosevelt grade school and Ferndale High. We spent a lot of time together. We loved to go to the Peppermint Lounge in Toledo on Friday nights with our fake proof. We also spent many nights cruising Woodward Avenue and stopping off at Big Boy, Totem Pole and Ted's if we had enough gas money. Never a dull moment with Connie. She was one of a kind. I have many fond memories. My sincere condolences to Don and her family.*”

“ *Don, Olga and I could not ask for kinder neighbors. Over the years Connie and I enjoyed hundreds of conversations together. I will never forget how she was always filled with joy and pride when she spoke about her grandsons and the many successes they were achieving in their lives. Vacationing with them was a highlight in her life. Both of you took these guys on numerous cruises and you enjoyed sharing these incredible times together. Connie loved flowers. YES, she loved flowers, we spoke often about the beautiful flowers that both of you enjoyed around your home. I will miss these times I shared with Connie. Good memories last forever and my memories of Connie will be everlasting. Your neighbor and friend,
