“ *Although I'm not acquainted with your family I'd like to extend my deepest sympathy for your loss of loved one Craig Ankawi. People don't realize that as time elapses the pain still is felt from a loss. It is my hope that your family can take comfort in learning that Jesus Christ, through God's Kingdom will soon do away with death forever. God will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.??Isaiah 25:8. We also have a loving hope to see our dead loved ones again, (Acts 24:15) and I have hope toward God, which hope these [men] themselves also entertain, that there is going to be a resurrection of both the righteous and the unrighteous." Lastly a loving God would never take someone from people that love them.?With evil things God cannot be tried nor does he himself try anyone.? (James 1:13). These thoughts have comforted me during loss and I hope it helps your family too*

“ Dear Vicki and Ron, It is with great sadness and shock that I am sending this message to you. I am so sorry to hear of Craig's passing--please know my thoughts and prayers are with you both and your family. I know that Craig was a very special and loved young man. We are living in Texas now and I actually found out through Facebook about Craig's passing. The page his friends and brother and sister created as a memorial to Craig was touching, sweet and a loving tribute to someone who was special and dear to many, many people. My heart goes out to you and your family during this most difficult time...my thoughts and prayers are with you during the days to come. May the precious memories you have of Craig somehow be a great source of comfort to you. The love and closeness your family is blessed to have and the caring and love of family and friends will help you get through the days ahead and bring you peace--may God bless you always. With love,
Bob,Sue,Laura and Nicole Majkowski (your old neighbors at 4977 Bruner)

“ Dear Raad and Vicki,

It has been many years since we've crossed paths, but I remember fondly your children playing in the backyard with my Rachel and Charlotte. I will always remember you pushing your stroller to the park, followed by one, two or three little ones and my Rachel always asking to play with "CrysalBrett". Imagine my shock, and sadness, to read of Craig's passing in the paper. My heart breaks for all of you, and while I did not know Craig beyond the first two years of his life, I'm sure he was a wonderful young man. God's blessing to all of you. With love and prayers, Keith, Linda, Rachel and Charlotte Budd (your old neighbors at 4965 Bruner Drive)

“Those we love leave us here, but there are never gone nor are they forgotten. Craig will live on in those who smile and share a thought or story. He will live in a song that is played. But most important Craig will live on in the hearts of those who know and love him. Please know that our family is praying for you as your family works to accept that Craig is in a better place all be it to early taken.
