“ *Dan was a neighbor of mine, and, in general, an all around nice guy. He lived one floor below me. Our best discussions revolved around family, mental health, music, movies. He told me stories of his family in a respectful way, and I told him about my family. Nothing changes that he's dead - just, so young, what a tragedy! I had stopped hanging ou with him around the time he died, but the last couple of times I saw him, he seemed completely normal. No amount of sadness or tears will bring back a death. Best wishes to his family. I think he'd hate to be remembered as a fool or "Having problems." The last couple of times I saw him, he seemed upbeat and fine. Dan's friend and neighbor, Jeff Bugg.*
