“ I only found out today hearing Mary's remark on her truth show she lost 2 brothers in the last year. I worked for Macomb County in Mt. Clemens for many years. There was always a smile and hug with Dan. It's not the same without him.

Donna Bayer - September 28, 2018 at 05:50 PM

“ I went through the entire grade school, Resurrection, with Danny. My brother, Danny went through the same school with his brother, Tom. I knew the whole family. I was 17 when my mom passed and was laid out at their funeral home in Detroit. Danny was very close to the Felician sisters who lived right next door to them and across from the school. Some referred to him as "sisters pet" because his family was so close with the nuns. Danny had an infectious smile and laugh. He later worked at the hospital where I worked as well. It was good to see him again after all of those years since grade school. I am sorry to see he has passed away. my deepest sympathy to his family. I cherish the fond memories of growing up in a Detroit grade school with a kind soul and cheerful person such as Danny.

“ Danny was a wonderful man with a beautiful and kind heart. He made feel special knowing my name and birthday (and everybody's and I have no idea how he did that!). He helped me get through the loss of my own father who he knew a blue coat at Macomb and shared stories that I still remember to this day. Such a loss to everyone, and my sincere and deepest condolences to Danny's family. Deborah Treadwell-Hamameh

“ My sincerest condolences to Dan's family. I worked with Dan while a "blue coat" security officer at Macomb County. Dan was a very kind, thoughtful person, and I enjoyed talking with him very much. Mike Vandeginste, retired police Inspector.

“ I will always remember Danny's infectious laugh and his great big hugs! I am so glad that I met Danny when I did in my life, and that I got to share in his conversations (and debates) on life, religion, politics and anything else that came up in the mix! He was a lot of fun! God bless you, Danny Boy! :) Cath
