“ *Dan was a life long friend, and I consider him one of my brothers. I will choose to remember him as he was on our annual golf trips with all the old school bros. I can still hear his laughter in my head today. I will miss him dearly.*

“ After hearing of Dan's passing, I searched for old photos of prom & pictures we had taken together. It seems like it was not that long ago. I remembered how easy he was to talk to, how much he loved his family & how fun he was to be around. His smile was bright, always made me laugh & for a time considered him my Best Friend. I can still see him in 1978, drumming on his dashboard and jeans, while STYX, Pieces of Eight, played on the 8 track in his car! It's been 11 yrs. since we talked. Wish I told him he left great memory's and joy in my life. Praying his Family and Friends find peace and love at this time of sorrow. XO

“ *I was very sorry to hear about Danny's passing. We used to live down the street from the Keleel family on Panama. My wife and I are now lay missionaries in the country of Panama, so we will be unable to attend Danny's services, but please know that our prayers are with the family during this time of loss.*
