I got to know Danny when I lived with Pete Kincaid. I babysat Peter and his brothers and sister many years. Danny came around alot. My memories of him and Pete are them teasing or just giving me a hard time! He was a wonderful person! RIP Danny Pieper

“ *I remember Danny from high school... He was different. He wasn't mean he wasn't condemning. He was HILARIOUS! My best memory is from high school on "Fresh Man Kill Day" an I was running through the lobby... I tripped over air and slid across the floor. Danny was the only one who stopped to help me up with tears in his eyes cause he was laughing so hard. An he said "I think you got yours freshman" an walked away. He had a beautiful heart and spirit. He will be truly missed. Rest High Baby boy!*
