“ *Dan was truly the Best and Loved by us. He was always calm, kind with a smile on his face. When we visited, he always had a welcoming smile and had a beer in hand for me. Dan wasn't just my brother-in-law, he was my friend. They say when a man has friends and family, he is a rich man. Dan was a Very Rich Man. He will be sorely missed and never forgotten. We are glad his pain is gone and he rests on the top of the mountain in the hands of the Lord. Until we meet again Dan. Love you always, Mark and Dianne*

“ Dan Toth was a very hard working family man who enjoyed relaxing after a long day at work by sitting quietly under his gazebo sipping a beer and enjoying the quiet green oasis of his backyard-bird watching and sitting at the fire pit with friends and family. He loved his news updates, sports and "manly" movie nights binging on Sci Fi and Action/Marvel movies. He loved camping with Mary and the boys going places they had never been before to experience the beautiful campgrounds of Michigan. He was always working on the yard, car, house and lawn equipment to keep things running and maintained. I would categorize him as a professional putzer! My husband and I have been friends with Mary and Dan for over 30 years. We enjoyed dinners out on occasion or even carried in Alibi pizza to eat together, which we will continue to do with Mary of course. It is with great sadness that Dan will not get to enjoy the retirement he worked so hard to achieve and so because of that Mary must follow through and pursue those dreams they had. Dan would want that for her. We as friends and family will continue to support her and the boys as we cope with this great loss. In loving memory of Dan, Mike and Deb Long

“ Dan and I were coworkers for several years. He seemed to always have something funny to say and a smile on his face. We attended many family functions and company sponsored events where Dan was always the life of the party. Dan is and will be missed, for all the things he was and did. Condolences and prayers to Dans family at this difficult time.

“ Dan and I were coworkers for better than 35 years. I felt like part of Dan's family. I was blessed to meet his father Jules (Who would tell to catch so perch cause they were (\$10.00 f@!&@“!) A pound. 😂 brother Larry and his daughters Melanie and Emily. Brother Jimmy and his sons Alex and Nick. Sisters Barb and Sue. He adored his wife Mary, sons Dylan and Luke, and especially his Granddaughter Eliza. We had great times going to Tiger games and hockey games. I already miss the daily updates on what's going on. Dan is missed but the great memories will live on forever, love and miss you brother. Have a Platty on me!

Love JJ

“ I met Dan in April of 1989 when I started working at Belmont. I shared a work area for several years with the wire EDM department. Dan was always pleasant and helpful. We had some good times. Water skiing at the lake his dad lived nearby. I took my See doo one trip. We went to the Detroit hydroplane races on Belle Isle, company Tiger games. Dan was always fun to be around. He will be missed. My thoughts and prayers are with his family and friends.
