

Danny Stameski

September 23, 1972 - November 22, 2025

Danny Stameski passed peacefully after a long battle with cancer on Saturday, November 22nd at age 53. He is survived by his wife, Jennifer, and his two children, Roselynn and Dimitrije, his mother Gloria (Grozda) Petrovich and sister Valerie. He was preceded in death by his sister Michelle. He was a loving father, husband, son, and brother as well as a kind soul.

Danny was born in Detroit on September 23rd 1972. He went on to work in GM's IT department and was well respected among his coworkers. He was sociable and successful, and was a wonderful influence to all he interacted with. He became a father in 2006 with the birth of his first child, Roselynn. He then had his son, Dimitrije in 2008.

Danny was a loving father and caring family member. He enjoyed sports, movies, and car culture. He was especially a fan of the Lions, and always wore the team's memorabilia. He was eventually able to buy his dream car, a 1990 Corvette ZR1. He loved attending NASCAR races and Lions games, but most importantly he loved spending time with his family. He was joyous, a great storyteller, and a great role model to those in his life. He will be deeply missed by his family and all close to him.

“ *Danny was one of my best friends at Washington Elementary in Wyandotte, MI where we grew up. We lived just a few blocks apart and we spent a lot of time in the summer tossing the football in his front yard and hanging out. What I most remember about Danny was his friendly, caring nature and his outgoing personality. To the family...I am so sorry for your loss! I pray for God's deepest comfort and richest blessings upon you during this difficult time.*

“ Danny and his mom Gloria KEPT ONSTAR RUNNING!! I am convinced of that! Loved to talk with him. My 5 minute visit to his desk would easily turn into 15 or 20 minutes. He was a walking smile and joy to everyone he touched. Gone but not forgotten. RIP Danny Boy.

“ Danny made the workplace a much nicer place to be. He was dedicated to making sure the customer's best interests were always in clear focus all the while making sure his coworkers/friends were entertained along the way. From the catchphrase "piss me off portion" to changing our names to our login IDs to always making sure we were up-to-date on the feud between the folks from the 248 and the folks from the 586, Danny made the day-to-day anything but mundane. While he could come across as brash, everyone he met eventually became a friend; he was just that kind of guy. You are deeply missed, my friend. The world is a better place because you were in it.

“ It's very rare to meet someone as funny, smart, hard working, and caring. Someone that loved his family endlessly, someone who always made everyone in a room know that he cared. Someone that wasn't afraid to wear metallica t-shirts into an office, or challenge naive young coworkers into a drinking challenge at a wedding and embarrass them unapologetically. Danny and I probably spent more time talking about cars than we did work. Not long after I first started I bought a mustang, and Danny being a big chevy fan made fun of me constantly. I'll always be immeasurably grateful that I had the joy and opportunity to work for and with Danny, and to be able to call him a friend.

“ Lord of mercy and love,
We lift up Danny, whose life was a gift to all
who knew him.

*He was larger than life, a bright light whose
presence made the world warmer. Bless his
soul with peace and rest and may his spirit find joy everlasting.*

*We give thanks for his love of family, his loyalty as a friend, his
respect as a coworker, and the laughter he brought through his
stories and pranks. May the memories of Detroit Lions games,
muscle cars, and Friday night football remain as treasures in our
hearts, reminders of the joy he shared.*

*Comfort those who grieve his passing, Lord, and let Danny's legacy
of kindness, humor, and strength continue to inspire us. Though the
world feels dimmer without him, may we carry his light forward in
love.*

Amen.
