

Daria Remeniuk

November 11, 2024

Daria (Zarewych) Remeniuk, passed away on November 11, 2024.

Daria was born on September 9, 1936 in Verkhnie Syniovydne, Stryi Region, Ukraine to Maria Sawchyn and Dmytro Zarewych. Daria and her family immigrated to the United States and settled in Detroit, Michigan in 1949. At her sister's wedding, she met her husband, Roman Remeniuk, and moved to Chicago, Illinois, where they raised their three beautiful children. With the unfortunate early passing of her husband in 1974, Daria moved back to Detroit with her three young daughters.

Daria was very active in the Ukrainian community and was a member of the Ukrainian National Women's League of America (Chicago Branch) and Immaculate Conception school council. Daria was known to be very kind and nurturing. She loved her Ukrainian heritage, being involved in the community, where she touched many lives with her caring spirit and her love of life. She believed that "life was wonderful, it had many ups and downs, but that is what made a person stronger and what made life beautiful". Music was her passion. She studied music, played piano and supported the arts. Her love of music always filled the house and will continue to fill the hearts of her family and loved ones.

Daria especially loved her four precious grandchildren. They meant the world

to her. She welcomed their visits with great joy. She was able to pass on to them her passion for music, culture, faith in God and joy of life. She was their role model who taught them the values of resilience, kindness and "hopeless optimism". Her children and grandchildren will carry on her legacy with pride and her strength, intelligence and humor will live on in their lives.

Daria will forever be cherished by her children: Marta (Adam) Hapij, Roma Remeniuk, Ulana (Taras) Snihura and grandchildren: Taisa, Ulana, Matthew and Inessa.
