“ *Loss a loved one is very hard and it takes time to cope. Death is not necessarily the permanent end of our existence. By means of a resurrection, God will bring back to life people who have died.— John 5:28, 29; Acts 24:15. God promises a time when “death will be no more.” (Revelation 21:4) Concerning that day, the Bible says: “The righteous themselves will possess the earth, and they will reside forever upon it,” completely free from any fear of dying.— Psalm 37:29. Please see [jw.org](http://jw.org) for more information.*
