“ The wonderful mom who gave me the name "gypsy lady"! You will be missed. Feels like just yesterday she was driving Bonnie and I around in the mini van singing Boys 2 Men. Thoughts and prayers for the Diaz family ? Liz

“ I remember when we all went up north to Uncle Mark's and Aunt Cheri's. Aunt Darlene rode up with our family and just before we pulled in the driveway, we put Aunt Darlene in the trailer we were pulling behind our van to make it look like she had ridden back there for the whole trip. Everyone laughed so hard!! --Alicia

“ *In high school my weekends and summers were spent with the Diazs. That was my home away from home. When I think of Darlene, I can hear her singing oldies & Church hymns..I remember her being our taxi wherever we needed to go, her eating ketchup on EVERYTHING, just being able to walk into the house and talk with her even when Bonnie wasnt even there. There's many fond memories of her that I will always cherish. She was one of the nicest women I know and I am so Blessed to have known her for 18 years. I am saddened by the loss, but she is no longer in pain and with some amazing people up there in Heaven. God Bless. XOXO*
