“ *I was completely taken by surprise, when i saw the death notice in the newspaper of Daryl!s passing. My mother and iwere just talking about him and his family. My mother and father both knew his parents and i myself was acquainted with his brothers and sister. On behalf of my mother and myself our deepest sympathy to the whole Kraemer family and the children.*

“ I would like to offer my condolences to the entire Kraemer family.

I worked with Daryl for 10 years and he was a very compassionate person who always put people first ,above his own needs.

He had the greatest outlook on life and had a great sense of humor, but above all, was a man of strong faith and conviction. Daryl is someone that i confided in when my cousin Paul (Barrington) was stricken.

He was someone that i respected and someone i will miss very much.

God Bless all of you!

“ Dear Melissa, Patrick and Kraemer Family Members,

In the words of Mother Teresa. "There is more need in this world for love and appreciation than for bread". May your hearts be filled with the knowledge that you provided Daryl with both, especially during these last few months.

Daryl was blessed to know Melissa has a wonderful husband who is going to love and care for her always.
