“ *I am so sorry to (just) learn of Dave's passing. Dave and I were childhood friends at St. Veronica in East Detroit, playing endless games of street hockey, baseball and, his favorite, basketball. We continued our friendship through high school at DeLaSalle as one of the four in our St Veronica class to attend DLS, commuting to the Detroit campus next to City Airport. We carpooled in the morning as our Dads rotated taking us to school on their commutes into the city, and we took the city bus home together at the end of the day. He was a fine friend. I'm so sorry for your loss.*

“ Janet I am so sorry to hear of Dave’s passing. One of my fondest memories of Dave was when we were in Hawaii and we were stranded at the airport and Dave was not leaving for the night without his golf clubs. I’m sure he will be playing lots of golf in heaven. Hugs to you all. Kelly Hembree
