“ I remember swimming in osuman lake as kids. Davids Dad told him not to ever go swim in that lake , and we did. A little time had passed as we were swimmimng and David step on a rusty piece of metal. A few days had went by and his dad had noticed him limping. He told me his had asked him what was wrong. David was like nothing , so his dad made him take his shoe off and notice it was cut and infected. He rushed him to the hospital, And the doc said if he wouldve waited any longer he wouldve had to amputate his foot. The crazy things we have done as kids, I wouldn't change it for the world! I love you David Demik and my life will never be same with out you! So many memories happy ones I had with you . RIP my good friend!

“ I will never forget the way you would tease me, as all big brothers do, because now I can remember and smile. I will never forget the phone calls from you when I was in college, telling me how proud Dad would be of me. Thank you for loving me and for being my big brother. I am so sorry for the struggles you faced. Today I hope and pray for happiness for you, and I am at peace that you are hugging Dad. I love you Davey Baby ?

“ *The image I carry of David is as a young boy when he visited my son and me in Hawaii. I close my eyes and see beautiful memories of those two precious boys. From sitting crossed legged on the floor building great castles out of Legos, running, riding and crashing into the waves with their boogie boards, sweet glimpses of tousle-headed boys with sand in their hair and sun on their cheeks. Even at that young age David was kind hearted, patient and loving while playing with my son who is three years younger. Although it was too long since we last saw each other, I was aware of what a wonderful, gentle and loving Father he was to his children and how much he adored and respected his wife. The only balm for the heartache is knowing David is at peace and in a much better place with Jesus. Until we meet again David...*

“ It's difficult to eulogize the life of an individual loved & cherished by so many, and there's nothing I can say or do to take away the hurt and pain.

Although a time of great sorrow, it's also a time to celebrate life, and the best way to celebrate life is through our memories. Each of you have a special memory of David in your heart, and I think that's how David would want us to remember him, as it's through our memories that we can honor David forever and ever.

While you're gone from the physical world you will never be forgotten and will forever remain in our hearts.

Rest well David... Rest well.

“ David you were my first born and not only did I love you but i adored you! I know beyond a shadow of a doubt that you are resting in the arms of Jesus, because I had the awesome privledge of being there when you got your life right before God.and that you'll be waiting there for me at the pearly gates! And in that i feel great comfort. All the Glory belongs to God and God alone. I thank God for your precious life that was gone too soon.I LOVE YOU DAVID AND MISS YOU SO MUCH!!!!!!

“ I fell head over heels in love with my beloved nephew David. We traveled to Pearl Harbor Hawaii together when he was seven years old. We went on an aircraft carrier and played on the beach together. I will miss his hugs and his smiles. His eyes beautiful bright brown. His spirit was kind and polite. His struggles made my heart ache but I know he had Jesus in his heart and he is resting now. Love Aunt Karen. I wish he had more time on this Earth. :-(
