“ *David, my cousin was a loving a caring soul and his loss has been very hard on our family. he was my cousin, but he was also like my brother. he had a strong heart and an amazing act for music. i just recently downloaded a cd of him rapping to my ipod. im very happy that our family is remembering him by all the good times we had with him, and nothing bad. i love and miss david more and more everyday, but what gives me comfort is knowing he's in heaven with my grandpa mike and my sister janie. and one day we'll see them again. sometime very shortly i will be getting a tattoo in memory of him just like i do for my sister. my family means eveything to me so im gunna carry around a part of him until the day i die. R.I.P David Lewis Giroux.*

“ I want to express my sincere condolences to you and your entire family on the loss of your loved ones. Times like these are extremely painful and difficult. As you deal with this difficult time, please keep God's Word the Bible in mind and draw on the hope found in it for comfort during this time period. John 5:28, 29 tells us ?Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out.? Draw on this scripture for comfort and trust in God's Word and the promises it holds for all of our dead loved ones.

“ Dear Family, I was saddened to read of your loss and I'd like to extend my deepest sympathy for your dearly loved David. I can only imagine the pain you must feel. I pray that you can find hope in the Bible: 1) A loving God would never take our loved ones: (James 1:13) ?With evil things God cannot be tried nor does he himself try anyone.? 2) God will comfort you: (Psalm 34:18) ?Jehovah is near to those that are broken at heart; And those who are crushed in spirit he saves.? 3) Jesus Christ, thru God's Kingdom, His Word, the Bible, gives us a wonderful hope, namely, the prospect of living in a paradise on earth and seeing the resurrection of our dead loved ones. (Luke 23:43; John 5:28, 29)) ~ Hope this comforts you like it has my family during loss.
