

David Gronson

July 25, 1974 - September 5, 2021

Beloved husband of Jennifer. Loving father of Kess and Kyrie.

Cherished step-father of Katie (Kenneth) Roller. Caring grandfather of Chloe and Lliam.

Dear son of MaryAnn Gronson. Pre-deceased by his father Jerry Gronson.

Proud pet dad to three cats (Jumby, Momo, and Jungle) and dog (Iommi). David was a very special person and left a lasting impression with everyone he met. He was everything to his wife and children and was the center of their world. David met cancer head on and fought as hard as he could to the very end. He even carried on with his career after his surgeries, chemo and radiation treatments.

David will be missed dearly by his family, friends, co-workers and his raid team.

“ *I met Dave when he joined the Gale Group in 2001 or 2002. I trained him when I joined. We instantly developed a friendship during the training Dave was a straight shooter that held firm to his social principles. Our friendship wasn't based on political correctness, White-guilt, Kumbya. This created the foundation of trust, insight, and true friendship. We both learned so much from each other about race, class, and respect. He taught me to reject what media tells races and classes, but to sit down and talk and more importantly LISTEN to each other. I will never forget our conversations and lessons because no longer do I face non-Blacks with the lenses of media bias but instead as humans. I never forget his sense of humor and how we used to laugh. I swear Gale Teach support was more of a comedy show than it was a work place. Despite us losing touch in the latter years, I'm a better man for having Dave as a co-worker and friend.
RIP Dave,
Praying continually for his family.*

“ *For many years I have been hanging out with Dave and his better half on-line, listening to his kids in the back ground, while we charged forward taking care of the bad guys.....I'm truly crushed. His patience was the best and my experiences and time with him will never be forgotten. Thanks for all you did for the team. Rest in Peace Dave!*

“ I met Dave in WoW as many have as well. Though I never met him in person I can honestly say I loved him. I am heartbroken and my thoughts and prayers go out to his wife, kids, friends and family.

I'd like to think I was part of his extended family as he most certainly was a huge part of mine. His kindness, caring, leadership, humor (even the corny Dad jokes) will be missed but never forgotten. Rest in Peace my friend...until we meet again!

“ I met Dave around 5 years also on WoW. His patience with all the people in the group and especially new people was admirable and was someone who I always admired. I was always happy for every Wednesday and Saturday that we played as a group, and always left with a smile on my face.

“ I met Dave (Kess) online around the middle of 2017 through a World of Warcraft website, where he posted a raid team. He had such a great personality, and I will never forget him taking the time not only to praise the OG raid crew, but also praising the newer people that would join the raid and did something well. He just radiated positivity even during some tough encounters, and had an extremely quick wit that never failed to make us laugh.

When I took a break from WoW raiding for about 2 years, and I'll never forget the "welcome back" I got from him my first day back. He was a great man, and I will always remember him as such.
