“ It has been 1 year today since you went to live with the angels, and yet it still feels like yesterday. There have been many tears over the past year, Buddy misses you and went through a lot of tough nights since you left, but please know You are loved and missed more than I can express to you by him and all of us. I hope you are at peace and your soul at rest. Fly high with the angels and know you will forever be in our thoughts and hearts! I LOVE YOU FOREVER AND ALWAYS!
