I had the Good Fortune of working with Dave as a courier at Beaumont Hospital for many years, and eventually as his supervisor. David and I use to share a car and we had endless conversations about vehicles especially, General Motors because Dave loved GM, especially loved his Pontiac Montana. He loved it so much, he almost talked me into buying one. That's how passionate Dave was about the things he loved. He was a great co-worker. A great person, and I enjoyed working with him, and talking with him. He will be truly missed. Today is a very sad day. All my heartfelt wishes are with his family.
