Terribly disappointed, I will love you until death, They lie the time cure everything. Our wounds are getting worse. You will always be alive in our hearts. Hope justice has been served!*

“ my heartfelt condolences to this family. It is hard to deal with a family member's drug addictions but even harder to deal with the fact that he was left to die as he was by authorities accountable for his safety. May the Lord be with this family always and I pray that justice is finally served..shame on those murderers for putting a mother through this ...

“ 1 year brother, it still hasn't fully sunk in for me, but I am glad that I have great people surrounding me, Mom and Dad are doing great, they miss the heck out of you and are still having a very hard time. I am helping them out a lot and we are all back together again. I am sure you know and you are looking down smiling. I am glad that we are finally moving into this next process, you will never be forgotten, I can tell you one thing. I will not rest until I finish this process, because we are so broke up how your life was taken from you. Not by choice or want on your end, but on someone else's , inhumane and senseless acts. We had so much stuff yet to see, do, learn, and enjoy... Hopefully one day we will meet again and we will be able to do the things we talked about, and wanted to accomplish... Miss you Big Bro and I will finish what Ive started and soon the truth will come out! Love you and Missin you every damn MINUTE!

“ *Big bro, goin on six months here pretty soon... and I'm still speechless, definitely not the same and am now realizing that things will never be the same without you there to give me a hug, or just pick me up if I was having a hard time, i knew you'd always be there ... i know you are looking over me but man, I would give anything just to be able to have you back... life's changed a lot with you not around bro, but for you I will remain strong, regardless of all the other stuff goin on.... I'm gonna keep focused on myself, and keep your memory alive.... Love you bro*
