“ Dave was a co-worker, bowling partner & dear friend. He asked my boss to donate his vacation time when I had a death in my family & was off work for some time. I was never supposed to know this, but I will share it now. What a wonderful man he was! All our love Linda, Michele & Mike Bridges

“ *I used to work for Seco Tooks Canada and had to talk to Dave a number of times over the years. He was always a great help. Also when I had to travel to the Detroit office I always made a pint of going to see Dave. He was always so kind and I always enjoyed talking to him. RIP Dave.
