“ Denny a quote for you and your siblings---"The greatest gifts my parents ever gave me were my brothers". Siblings grant you hope, give grief and teach you how to go out into the great big world. Each one teaches you a lesson. Which one did you learn from Dean?

“ God must of needed a great mechanical designer. What a great friend for over 25 years. His love of music, chevrolets and all things mechanical made him fun to hang out with and talk to. Until we meet again my friend. My thoughts and prayers go out to your family and friends. RIP. Paul.
