December 9, 1953 - September 6, 2022

With a heavy heart, we are sorry to share that Deborah D'Uva (68) passed away peacefully with family by her side on 9/6/22. Loving daughter of the late May and James. Beloved wife of Anthony for 35 years. Dear mother of Steven (Angie), Tina (Jason). Dearest grandmother of Adam, Zach, Justin, Alex, Michael, Clarissa, Brianna and Amber (Ken). Adored nana of Kali. Dearest sister of Sharon, Beverly, Carol, and the late Deanna, and Kenneth. Cherished aunt of many nieces and nephews. Deborah loved going to Meijer and the casino with her husband. She loved watching sports on tv and was a fan of the Tigers. She was also a former Avon lady. Pet parent of her cats and bunny, Precious, Josie, Kitty Kitty, Goldie and Snowflake. She loved collecting anything Panda related. She enjoyed making personalized cards and sending them on special occasions. Deborah was a charitable person who loved going to church and a firm believer in her Catholic faith. She was a loving person and cared about family and friends. She will be dearly missed.

“ *Hey Lil' sis, I don't know what I will do without our 7pm phone calls. So many times I hung up on my daughter so that we could continue solving the worlds problems. My life will never be the same without you as well as a billion other people who are mourning your loss right now. When our mother was ill and her and I would have some talks in the evening, she would always tell me, "Sherry, make sure you take care of that brat". In the end, there was nothing I could do to make you better. God, how I wanted to make you better. I know you aren't hurting anymore and that does give me some comfort. You will always be in my heart until, hopefully, I join you when HE calls me home.*

*I love you,
Big Sis (Sherry)*

My beloved aunt. You will be missed greatly. I hold dear the memories being a small child and spending the night playing sorry on Poplar. The kindness and love you gave will not be forgotten!

“ *Debbie was part of our neighborhood group growing up! She lived directly behind us and we would climb the fence separating our backyards to play and hang out. (Our yards were fenced in because we both had pools in our backyards.)*

Although our lives took different paths, we kept in touch via birthday cards and Christmas cards every year. (I especially enjoyed the homemade birthday cards!) We were then able to keep in touch via Facebook!

I know there is a huge hole in your lives right now but Debbie's love, caring, and humor will always be with you. Hold on to that and it will comfort you over time.

“Debbie and I met in Mr. Cougar's 7th grade class at St. Mark's school and we never turned back. Our friendship has stood the test of time. From youth group dances (your sister Sheri picking us up), horseback riding outings, to Cupid's Den, cruising Woodward (always returning past our curfews) and later celebrating weddings, births and supporting each other at funerals, we stood by each other! Life often took us down different paths, but ours was an understood friendship that always allowed us to pick up from wherever we left off! Debbie, you had an infectious laugh. Sometimes that laugh got us into trouble (especially with the nuns). We shared so many stories, as friends do, and I know how much you loved your Tony, Tina, Steven and your entire family. You became an adopted daughter to the Niemczura family, and as my mom would often say to me, "I stole your friend", as you enjoyed going to morning mass and breakfasts (without me). Debbie, I am not sure where we go from here, as life will never be the same without you. I don't know how to fill this hole in my heart; I love you forever!

Your friend,
Jo Ann

“ *Debbie was the most wonderful 2nd Mom a girl could ask for the last 20+ years. She loved me from the beginning no questions asked, she made up for all the love I've missed out from my side extended family, and helped me navigate the crazy wonderful D'Uva, Edwards, Haycraft side of the family without skipping a beat. She never forgot one of my birthdays, call me to sing to me and all my babies every year without fail and I don't know how I'm going do without it in the years to come. I'm especially going to miss all the hugs, kisses, talks and sweet text messages she sent me. She was the best grandmother to all 6 of my kids. She was their for their births, made all of the 1st birthday cakes & attended every event she could with them. She was the glue keeping us together for all family functions. Now she'll be the "Most Beautiful Angel" in heaven sending down her sparkling shining star glue and love to keep us all on track. We will all keep your legacy alive by staying together with love. We love you today, tomorrow, and always you'll forever be with us and in our hearts to the moon and back.*

She is a sincere down-to-earth kind woman who would never miss sending a card out on a holiday or your birthday NEVER forgetting not even one, she could make you laugh she could joke with the best of you, and she was even an Awesome Baker! she truly will be missed, love you Debbie. 🙏🏻✝️
