“ *Deborah, I just found out through your nephew that you left me, that you're gone from us all! I went to bed last night very crushed knowing about your passing! My heart is broken right now! You and I met through Facebook and immediately we bonded as friends! You'd call me and I'd call you and you'd share with me and our common ground was our Lord Jesus Christ and our relationship with him! We lost touch and I guess just with our busy lives and now that I was writing you to wish you a Happy Birthday I noticed you had nothing written on Fb nor had I gotten any replies back from you! Not till I received a message from your nephew to let me know that you're in Heaven with our Daddy Jesus our Lord and Savior, did I find out! It was the worst way for me to go to bed at night as I was in disbelief and crushed! I will forever miss you my beloved friend and you were a very loving, sweet. Kind and precious friend to me! I loved having you as my friend! We will meet again in Heaven my dear Deborah! Missing you right now! RIP my sweet precious Friend!*

“ I have fond memories growing up on Ronald St. in Roseville, MI as neighbors to the LaRaias. Mr. Vince and Mrs. Jean, Debbie, Mary and Mark were all part of my childhood. Mr. Vince took many a family photo that I appreciate having and having a fence between our yards allowed conversation to flow freely. I know Debbie will be greatly missed and I pray for God's peace as you go through the next days and weeks ahead. Love, Sharon (Skrlec) Vosovic
