“ I met my dear friend, Denise, 30 years ago at an exercise class. We shared so many wonderful times. Boat night in Port Huron, hay rides, sailing, birthday parties, the list is endless. She had a remarkable ability to bring family and friends together whether it was for 4th of July, Christmas, birthdays or just to gather around the fire pit on a Friday or Saturday night. Ron and I have such great memories from the Euchre Club. Our group shared so many laughs and good times. No matter how hectic her schedule was, Denise always made time for others. Denise was not only a beautiful person on the outside, but also the most beautiful and gracious person on the inside. She is my role model as a parent in this crazy world we live in. She and Tom have done an exceptional job raising two beautiful, loving, talented and responsible daughters. I will miss talking and laughing with my dear and long time friend, but I am so very thankful for the times we did share. Love you Denise.

“ Tom, Stephanie (Scott Stepaniak), Emily, Wurmlinger and DeBruyne families, It is with heavy heart that I forward condolences, I just learned of Denise's passing yesterday. Denise will always be remembered as a very beautiful and complete person. Denise was a class act that always had her game face on. I knew Denise as the office manager at Bright Pointe, her smile was electric and always sincere. Denise carried a confidence that shared comfort for those around. Denise was also gifted with hosting events and enjoying friends, neighbors & family in their beautiful home. Denise will be missed however the memories will live on. Peace & Love, Bill

“ *What a beautiful person, inside & out. I will always remember her friendship and all the good times we had growing up and hanging out together from kindergarten through high school. I loved all the trips to New Baltimore with her when her parents were building the house on the lake. She "tried" to teach me to water ski too - that didn't happen to work out for me too well either. (lol) My thoughts and prayers to her family. Rest in peace Denise.*

“ *I remember the day Denise "tried" to teach me to waterski. It's was the summer of '80 after graduation. I also remember how entertained her dad was after all my failed attempts. Many good memories of our younger days. RIP, Denise.*
