“ *I live next door to Dennis's sister Linda. I didn't know Dennis well. A wave and a holler when he would visit next door. Then he was at HFH where I work. I was able to spend some time with him while he was there and in that short time I felt a connection. Maybe that Baby Boomer Connection. He named me The Lorna-doon cookie neighbor because I took lorna's to him while he was in the Hospital. It's Heart Breaking that he was taken away so Young. Peace & Love to Dennis* ❤️🙏

“ Dear Karen, we were so sorry to hear of
Dennis's passing. But considering the
circumstances at least it was fast. Still way to
young. He really was a good guy, personality
was amazing always laughing and telling
jokes just like his dad. Again our condolences to you and your
family. Love Ron & Susan Johnston 🙏

“ Karen, I just heard about Dennis passing, It makes me sad and my heart hurts for you, I'll never forget meeting him for the first time which lead to the joke of him being my work husband. He was a really awesome guy and I loved waiting on him, Im going to miss him and his smile and I will never be able to find another "husband" (lol) like him but the last time I seen the both of you, the reality that he was so sick, broke my heart also and Im glad he's not suffering anymore! Please know you have my sincerest condolences's and my thoughts are with you 🙏

Linda, I am so sorry to hear about your loss. I have so many memories of Dennis growing up with the Wasmund gang. The one that sticks out the most was when Debbie and I tied him up to my telephone pole with a jump rope, threw a whipped cream pie in his face and then ran like crazy. Just one way to spend the summer afternoon. He was always a great guy to hang around with. Love and prayers, Sandy (Kur) Doss❤️

“ This guy... no matter how much I didn't want to be always found a way to put a smile on my face! Every Monday morning for years I could count on that infectious smile. The love he had for Karen is amazing to me. You could see it when he talked about her and when he finally got her hooked on golf and brought her in, the way he looked at her. Dennis will be seriously missed but always in my heart and always a part of my life. So blessed they started coming to our golf course.

“ I first met Dennis at Valenite tool.He hired in to grind department where I worked. We hit it off right away. By the end of the first week I asked him

If he liked to bowl and drink beer. Well, the joke was on me. This was right up his alley. He joined the Valenite league and the rest is history. It was pretty cool to see him get a 300 game. We've done a lot partying, golf,and get togethers with friends and family. We hired in at Chrysler together on the same day. I put in 10yrs. and retired. He knew my family like it was his own. I will miss my good friend. R.I.P. God bless you and your family.

Your forever friend, Jim
