“ *Dennis will be surely missed by the Semi-Conductor industry. He taught me everything I know! Enjoyed working with Dennis for many years and greatly appreciated him inviting me to tag along with him and Jone to watch his son Pete play Hockey in Cincinnati Ohio...*

“ *Dennis was a friend with a big heart and a wide mischievous streak: top hat and tails to to the prom and bowling in our formal wear afterwards sort of streak! Warm, funny, kind, a great listener, he was the best sort of friend. We lost touch, but reconnected in recent years, so I have memories of both the young man and the mature one who shared his life in some wonderful phone conversations. I'll treasure memories of both.*
My heartfelt condolences to all who loved him.
